

Orion: Destiny

Scene 1

1.1 – Establishing shot of a single large oak at the top of small hill, center in shot. The sun sets behind the leaves. The hill is grassy with large boulders here and there.

1.2 – Full of tree. Orion is skinning a large stag. Zooms to a full of Orion. His armor, sword, shield, bow and arrow are stacked at the base of the trunk.

1.3 – Medium shot of Orion skinning, dirty the left third with the body of the stag

1.4 – POV from behind the large boulder on the left of the hill. Pan to the right slowly and dirty the bottom third with the boulder.

1.5 – Close of Orion turning his head 90 degrees to face camera, looking out and down the hill.

1.6 – Long wide of Scorpia walking up the hill.

1.7 – Medium wide, stag and Orion in left 3rd, tree centered, Orion turns and walks to center wiping his hands clean on his Fustanella (warrior skirt). Shot turns into OS of Scorpia as she enters right third.

1.8 – Side Full double of Orion smiling as Scorpia enters shot from the right.

1.9 – Medium, waist up, of Orion, dialogue right, tree center.

1.10 – Medium, waist up, of Scorpia, dialogue left.

1.11 – Side medium, Orion left, as Scorpia shoves Orion against the tree which is behind him.

1.12 – Close straight on of Orion showing shock of Scorpia aggressively moving in and kissing Orion.

1.13 – Full of both kissing in right third, Scorpia's tail slowly rolls from under her dress out behind her.

1.14 – Close straight of Orion whose eye shoot open

1.14.1 – Orion ducks as Scorpia's tale crashes through the bark of the tree where Orion's head was.

1.15 – Full double, Orion on left, Orion falls back towards his armor, on his shield, as Scorpia whips her tail back for another strike.

1.16 – Close of Orion on his back, head in the right third

1.16.1 - Rolling towards camera, camera keeps spacing,

1.16.2 - Pulls shield in front of his face just Scorpia's tail pierces it, inches from his face.

1.16.3 - ****ADDED During Storyboard process for Continuity****

Extreme Close-Up of Scorpia's tail piercing Orion's Shield just inches from his face!!

1.16.4 – He throws the shield off at camera

1.17 – (multiple action shot) Dutch, turn right, long wide, 45 degrees from establishing shot, raised 45 degrees. Scorpia in bottom left corner, tree on upper left third line, Orion is on his back head on right upper third, Orion is rolling towards his gear at the base of the tree while Scorpia strikes at him.

1.18 – Medium close straight of Orion, reaching off right screen

1.18.1 – Orion pull sword left to deflect tail strike right

1.18.2 – Orion braces broad side of sword with left hand and deflects tail strike left

1.19 – Medium full, Orion kicks himself up to a crouched fighting position.

1.20 – Close up, Orion's eyes are big with surprise

1.21 – Full wide, Scorpia in bottom left, Orion on right third line, Scorpia's tale swooping over Orion (like a back hand) as he jumps backward to duck the swooping tale.

1.22 – Medium, Orion falls on his right shoulder
1.22.1 – Medium, Orion rolls backwards to his feet

1.22.2 – Medium zoom to close of Orion

1.22.3 - ****ADDED During Storyboard process for Continuity****

End zoom on Orion's face as he looks off to his right with a quick idea!

1.23 – Full of Orion as he sprints towards the tree

1.24 – Close up of Orion's foot pushing off of tree

1.25 – Full Wide, Drop camera 30 degrees, Orion lunges to left third, sword held above head with inverted grip

1.26 – Full Wide, 45 degrees down, Scorpia looks up at Orion and pulls tail back

1.26.1 – Scorpia thrusts tail at Orion

1.26.2 - ****ADDED During Storyboard process for Continuity****

Screen Flashes an various sound effects are heard for a struggle...

1.27 – Close wide, Scorpias body on the ground with sword in her chest

1.27.1 – Pan up, following sword blade, pull out to medium close of Orion leaning on the sword

1.27.1A - ****ADDED During Storyboard process for Continuity****

Close of Orion's reactionary face as he looks backwards in horror...

1.27.2 – Blood begins to drizzle out of Orion's mouth

1.27.3 – Pull out to full wide, Orion leans on the sword pinning Scorpia to ground; Scorpia's tail curled around and imbedded in Orion's back.

1.27.4 – Stars begin to shine at the points of their bodies that will represent the constellations.

1.27.5 – Fade the scenery out and leave only the constellations.

The End!!
